2005 Sea Ray 390

Boat Type: Motor Yacht

Address: San Diego, CA, US

Price: \$259,900

OVERVIEW

This Sea Ray Motor Yacht is in showroom condition, very low use, and yacht management maintained. Building on their reputation for design innovation, Sea Ray's 390 Motor Yacht differs from traditional motor yachts in that the helm and aft deck of the 390 are on the same level. The advantage of this layout is that it keeps the captain in the social center of the boat rather than isolated on a fly bridge. From the standpoint of comfort, the 390 receives high marks for her spacious interior and luxurious accommodations. The light-filled salon is accented with high-gloss cherry cabinetry and leather upholstery, and a high/low table with stools and a breakfast bar provide dining space. The galley, which is down from the salon level, benefits from the natural light that flows from an overhead skylight. Topside, an extended hardtop shelters the aft deck with its wet bar, acrylic wing doors, and bench seating. A stairway with a safety railing leads down to the swim platform. Current owner has installed a high end stereo system along with LED coordinated lights.
