1984 Sea Ray Sportfisher

Boat Type: Flybridge

Address: San Diego, CA, US

Price: \$17,900

OVERVIEW

PRICE JUST REDUCED..MAKE OFFER... this strong running 1984 Sea Ray 340 Flybridge will get you to the fish, and can be enjoyed immediately, but will benefit with the completion of some unfinished tidying. The current owner acquired the boat less than a year ago, with the intention of a refurb to include, detailing and general housekeeping type upgrades, but unfortunately, unexpected health concerns have forced a need to sell the vessel before full completion. This boat is a rare opportunity for the buyer with a vision and a desire to own a proven, wide beam, saltwater fisherman and family weekender. The interior of the boat features a very roomy salon with a wrap around settee, full stand up head with shower and a vacuflush toilet, a forward queen stateroom, and a large galley countertop. She is powered by twin Mercruiser 340 gas engines that start right up, sound great and idle like kittens. The engines had recent oil changes and basic service performed by a marine mechanic.
